**Beckminster Youth Group**

One of the things which makes Beckminster Methodist Church the kind of faith community we are very proud to be part of is the fact that we have people of all ages as part of our church family; from babies to the most senior in terms of age. Our ministry reflects the importance we attach on making sure all the age groups are nurtured and cared for. As part of our commitment to the teenage group, we have been running the Beckminster Youth Group (BYG) for a whole year now. This has been well received by the young people as well by their parents. Please continue to pray for this ministry as we continue to support our young people and their families as well as the Youth group leaders.

We are pleased to announce the programme we will be following from September 2019 to July 2020. As you can see the themes reflect the seasons of the year as well as global or national events taking place at particular times of the year.
