## **LOCKDOWN**

Lockdown oh lockdown  
What have you done to my life?  
It's tearing and cutting my heart with a knife.  
I can't see my family and friends it's not nice!  
Some people are helping and others are not  
I wish that the virus spreading will stop.  
So I can go back to the things that i love  
Playing and laughing oh God above  
Let me get back to the things that I love.
