GOOD SHEPHERD MINISTRY. We ask our members to remember that the GSM is continuing its work during this difficult period. Those members who donate goods via Beckminster on a weekly basis are invited to make an on-line donation if possible so that this invaluable work is funded during this time. If you wish to continue to make tins etc. available, please contact John Ashwood.

Dear Church Member,

Greetings in the name of Jesus Christ our Lord.

I hope this message finds you in the shadow of God's love and care. The last few months have been a challenge to all of us in many ways, not least for the fact that we cannot meet physically and worship together. But there are positive and encouraging signs that better times are coming; and we continue to pray for God's presence as we travel this unusual landscape. In the light of the recent government decision to allow places of worship to reopen for private prayers, the Church Council which met this Thursday, 18th June, discussed the possibilities of reopening part of our premises for this. After careful discussion the council decided to delegate to the Leadership Team the task of doing all the preparations required to make our church COVID-19 secure and let members know when our church is ready for such reopening and the safe way for individual private prayers to take place.

The Leadership Team is working hard on this and will be getting back to you as soon as it feels all is in place for us to be back in our church, though for such limited use. In the meantime please hold the life of the church and its members in your prayers, and pray for the leadership team and those who are working with them as they continue to make the needed preparations for this next step of our spiritual journey.

In Christ

ACTION FOR CHILDREN. Michael Bateman from our Bradley church walked for Action for Children recently and he raised £400 through his face book page and is aware other donations have gone directly to Action for Children. He wishes to thank everyone who sponsored him for walking 131 miles. Well done Michael.
