Collect for the Day

To ponder and pray
Eternal God, giver of love and peace,

Amen.

TRIO: This time last year we asked members to consider their giving to Beckminster, using the TRIO (The Responsibility Is Ours) framework. The response was excellent and I must, again, say thank you to everyone who has supported us by increasing their giving. One of the aims of TRIO is to remind each of us that we should review regularly how we support the church and that, like so many other things, the costs of running our church increase year on year.

The last 6 months have been difficult for all of us. Most charities have had reduced income; for Beckminster that has been mainly because external groups have not been able to use our premises since March, although some have now returned and others are hoping to be back in early 2021.

Your response last year meant that we were able to reduce our weekly deficit. However, across the year from September 2019 to August 2020 we still had a shortfall of around £250 each week. May I remind you of the TRIO letters and leaflets from last year and that the purpose of these was not just to produce a one-off response, but to ask each of us to continue to consider how we respond on a regular basis. I am delighted that some members have already increased their giving during 2020 – thank you.

Once again thank you for all you give.
