

 **Wolverhampton** Beckminster Gift Service,
City of Sanctuary Sunday, 11 December 2022

This year our gifts will go to Wolverhampton City of Sanctuary
Christmas 2022

Wolverhampton is a welcoming place and is home to people from around the world. But some people arrive here having experienced the trauma of war and violence, and often difficult and dangerous journeys. These people have had to leave their home and loved ones to seek sanctuary in our city. They arrive with few belongings, have no family or friends to draw on, and receive less than £6 per day to pay for daily needs like travel, clothing and food.

Giving a Christmas gift to an asylum seeker or refugee is a lovely way to help rebuild lives and to make them feel welcome.

This year at Wolverhampton City of Sanctuary we are planning to give gifts to Sanctuary Seekers on 21st December at a party at our weekly Drop-In.

We will give children up to 13 years a box or bag of small gifts (toys, games, books, clothes). The request is for a bag/box of new or as new items up to a value of about £15.

Please mark the gift box or bag as suitable for one of the following age groups:

Baby up to 9 months Toddler 9 months – 2 years Pre School 2 – 4 years
5 – 7 years 8 – 10 years 11 – 13 years

Single items are welcome too.

Young people and adults will be given gift vouchers - £15 value. Donations can be paid via Just Giving <https://www.justgiving.com/campaign/WCofS22> or by cheque made payable to Wolverhampton City of Sanctuary and brought along to the Gift Service.
