**CAROL SINGING.** Thank you to everyone who joined in singing Carols at Sainsbury's before Christmas. We raised £153 which will be donated to a food charity (probably The Good Shepherd) by Sainsbury's. They must have been impressed as we have been invited back.

**A note received from Tesco** - The amount raised was brilliant, as we say every little helps. We definitely need to book you in again this year. Please advise which evenings you can do in December.

**THE CITY OF SANCTUARY GROUP** which supports Refugees and Asylum Seekers in Wolverhampton, are appealing for suitcases. Are you able to help? Maybe you have one stored away which you no longer use and would be happy to pass on. They are needed when asylum seekers in hotels in Wolverhampton are given refugee status and are then directed to accommodation in another city. Also they are used for keeping clothes in when refugees have no furniture. They can be brought to Beckminster or if that is not convenient please contact Sue Reed 01902 762310 who will arrange a collection. Many thanks.

**COFFEE MORNING.** Beckminster Church are hosting a Coffee Morning on Saturday, 17 February 2024 at 10.30am - 12noon. All proceeds raised will be donated to The Well Foodbank, which is experiencing financial constraints at the present time and it is important that everything is done to help keep this really vital asset, which helps people not only in Wolverhampton but also in the surrounding areas. There will be a 'Bring and Buy' cake sale.

**CRANMER.** A note received from Cranmer saying that as a result of the collection at the joint Christmas Day Service at Cranmer, a cheque has been sent for £300 to The Well. Thank you so much for your contribution. Cranmer Stewards.
